Description

The Outlaw series of offshore performance boats is known for their edgy, race ready looks, with a combination of performance and comfort... This boat has it all. At first glance, you'll notice that the 20 Outlaw has a simple look, clean lines on the hull and the deck is carried over into the cockpit with smooth flowing upholstery. In the cockpit you'll find comfortable bucket seats and the driver seat is adjustable fore and aft to accommodate drivers of all sizes. The passenger seat can swivel and lock 180 degrees, providing the perfect spot for the ski observer. The helm has just the right amount of gauges to keep tabs on the engine and is complimented by the Morse controls mounted on the right. Trim adjustment is handled by a toggle switch mounted on the steering wheel column, and can easily be activated with your left hand fingers while you hold on to the wheel. You'll find that the cockpit is spacious for a 20 foot boat and there is plenty of room in the bow to store wake boards, skis, and other water toys. There is a wide aft bench seat with plenty of room for your speed loving friends and family to enjoy a day on the water. Underneath the bench seat is more storage space for lines and a cooler. This particular boat has been upgraded with a larger 300 Hp, 350 Mercruiser Magnum and new leg. Call Paul on 0405 480256 for more information or inspection.
