Description

The Jeanneau Merry Fisher range of boats are smart in many ways... The walk around decks and A symmetrical design make it a breeze to get up to the bow. The "Marlin" model is specifically designed with the fisherman in mind, some inclusions are the live bait tank, cutting board with rod holders, high Gunwales for digging in on those big fish and importantly when travelling, a lock up cabin for all your fishing gear etc, The boat is also very at home doing those long Mulloway sessions as an overnigher with a good sized v berth. She boasts a list of features for a 23 foot boat... Cockpit table, Fridge, toilet, V berth Double, Garmin chart and depth sounder, . "Siren" is powered by a 175 Hp Mercury 4 stroke with around 200 hours and is fitted with a bow thruster making docking on windy days easy. This particular model is quite sought after and not as easy to get hold of as some of the others. Call Paul on 0405 480 256 for more info or inspection.
