Description

The Kingston 770 is one of the roomiest 25 foot flybridge cruisers ever built, there is plenty of room for a couple or family for a relaxing weekend on the water.

There is a great little Galley with a sink and plenty of cupboard space, this boat has a single camping stove but a dedicated gas setup could be installed if needed. The Galley table is large, seating 4 -6 and also converts to a small double berth.

There is a large V berth up front and shower and toilet in the large Head.

Powered by a super clean Ford 80 horse diesel motor, you can explore our awesome lakes and bays on the smell of an oily rag (2 -3 litres an hour).

The boat has just had... 3 new batteries installed, new toilet macerator, new BT radio, new security alarm, new shaft bearings.

The boat has just been antifouled and serviced, Feb 26.

Call Paul on 0405 280 256 for more information or inspection.

Features
