## Description

Want chase the big ones in a classic 26 foot game boat... The current owner of this classic Savage Sportsfisher has finished working on the boat out of the water.. The motor has had a full service including new head gaskets and the boat antifouled and returned to her mooring which is available with the sale in South Lake Macquarie. This 26 Savage Sportsfisher was originally constructed to commercial survey and is solidly built she boasts a massive back deck for her size which is comparable, if not larger than a 28 Caribbean! Whether inshore coastal fishing for snapper or bolting on some riggers and chasing Marlin or Yellowfin, this little pocket fishing machine can do it all safely and economically. She is powered by a 225 hp, GMC V6 Turbo diesel, shaft drive that can cruise along at around 20 knots. "Fair Enough" is a solid fishing boat and with a little polish etc she would really turn heads, you just don't see many chunky little boats like this these days.
