Description

This marvellous piece of History has been pain strikingly restored. ' Kestral. Originally named Ethal ploughed the Hawksberry River as one of the First Steam ferries in 1895, taking First Class and economy passenger up and down the river.

Today she is in as new condition. With her magnificent Cabin lounge and secondary seating midships to stern. The Vosper Steam Engine made in Portsmouth has only run 8 Times still in excellent Condition.

The Owner has made the decision that its time for a new owner to be custodian of the vessel. He is selling at a very low price nothing compared to what has been spent bringing her back to life.
