Description

If your looking looking for a classic Australian well built fibreglass cruiser with beautiful, traditional lines... Look no further! "Shamrock" oozes charm, from the traditional back deck to the spacious, simplistic interior... No surprises, just a Classic, Clem Masters built flybridge cruiser with good economy and plenty of room for extended overnights with family and friends. Onboard there is good accommodation with a forward v berth for 2, double bunks and dinette convert for 2, if more berthing space was needed the flybridge has plenty of room for camp beds. When come to cooking and entertaining, this vessel has the largest Galley I have seen on a cruiser of this size or in fact some larger boats! Slipped April 2024. Call Paul on 0405 480 256 for more information or book an inspection.
