Description

First unveiled at the Monaco Yacht Show to a well-heeled chorus of publiccooing, the Z44 is not your everyday boat. Designed and built in the Netherlands specifically to cater for a supremely solvent client base.

While most boat builders embrace straight edges and simplified mouldings as ameans of increasing production efficiencies, the Z44 is all graduated curves, sweeps and seamless fluidity.

To say that this beautiful boat is a head turneris a understatement, Viere is powered by twin Volvo Penta 600 hp diesel motors that transfer their power into the water via state of the art IPS drives.

Down below you get a central atrium with galley to starboard and heads to port, plus a raised convertible dinette in the bow space and a full-beam master doublewith lounge and changing area beneath the cockpit sole.And just as on the main deck, the sweeping proliferation of curves has a lovely way of inviting you from space to space.

Call Paul on [0405 480 256](tel:0405480256) for more information or inspection.

Features

Hull Construction Material	Fibreglass
Hull Type	Single
Deck Construction Material	Fibreglass
Length (feet)	44.4
Beam/Width (feet)	13.1
Number of Helms	1
Displacement	14 ton
Number Of Engines	2
Engine Hours	Low
Horse Power (hp)	600
Drive Type	IPS
Generator	Westerbeke
Fuel Type	Diesel
Number of Fuel Tanks	2
Fuel Tank Capacity (L)	1200 x 2
