Description

These impressive vessels don't come up that often in NSW... Here is an opportunity to get hold of a well built, large volume commercial Randell 48 with more deck space that you could ever need and in 3C survey until november. "Marcello" is set up for anything you would ever want to do, commercial or just relaxing with friends and family... Solidly built and blue water ready she is capable of anything you may require, equipped with great navionic units and more stowage than you ever need.

This boat is the real deal and the vendor is busy with other projects so unfortunately she has to find a new owner.

Call Paul on 0405 480 256 for more information or inspection.
