Description

Harmony, an ARIES 32 was completely refitted, ready to go sailing. She is a heavy displacement ocean cruiser. New standing and running rigging, new mast, new solar, new Hydrovane, new Hydrogenerator, refurbished samson posts and a near new Yanmar engine.

Built in TAIWAN, she has had a full professionally completed refit on the Gold Coast in 2019. Refit was in preparation for the Golden Globe single handed around the world race. However the previous owner unfortunately couldn't participate in the race.

She is a full keel, cutter rigged with plenty of upgrades, intended for such a challenging ocean race. She has a new hydrovane self steering unit and watt and sea hydrogenerator. Rigging 2023, life raft and so much more.

She is sturdy, strong and ready to sail!
