## Description

"Providence" is only around 32 feet in length but she feels much bigger inside thanks to her well designed layout and 11 foot beam!

The 3055 Bayliner model is truly a surprise package, stepping aboard the first thing you notice is the amount of entertaining room in the cockpit... Moving below decks you are met with a similar experience... Plenty of room and comfortable sleeping area's.

After a long day in the sun the air conditioned cabin below makes the saloon a very comfortable space on those humid nights.

The boat was antifouled in May 2024 including anodes and has a survey under 2 years old. She is equipped with an excellent galley and plenty of comfortable seating both inside and out. The bathroom is very spacious with plenty of elbow room for a proper shower.

There are two large berths including the v berth plus a fold down lounge, giving 6 total berths. No need to worry about ducking when you go below either, this boat has 6'6" of headroom in the saloon!
