## Description

'Golden Hour' is the ultimate trailer boat for watersports, performance and luxury. A great family boat handles anything the lake can throw at her. She is super in rough seas and rough weather. She is a full blown wake boat, has full speed controler, incorporating Mercury smart guage. Powered by a V8 Mercruiser 8.2l Mag with a thru-hull exhaust that delivers a top speed of 70Kph. She turns eyes everywhere she goes! Four Winns have packed a lot into the SL262 and have included crafty features throughout. They feel very big for their size and can accommodate up to 14 passengers for a full day on the water. 'Golden Hour' is fully equipped with a stainless steel wakeboard tower, huge swim platform and a large wakeboard/water ski locker. The hull has been wrapped and the seats have recently been reupholstered. The sale includes an unregistered trailer which is currently in storage.
