Description

If you have always dreamt of sailing the world "Windsong" is ready to go!

Designed by Ron Holland, and built by Sequester in New Zealand, this true Bluewater sloop has genuine pedigree and just feels ready for any trip. She is built to survey and is as solid as they come, but if you think this boat isn't quick as well for those laps around the markers... You'd be wrong.

Fitted out with everything you need for those long hauls, including electric winches, air conditioning, teak decks, water maker, and plenty of room below you'll feel safe and comfortable wherever your journey may take you. Accommodation is plentiful with the V berth, 2 aft double cabins plus a convertible dinette for 2, there are twin heads both with showers, and also a cold water transom shower.

This 46 Holland has a large cockpit with everything needed to navigate including radar, there is a cockpit table and all lines come back so you can travel in comfort with family or crew.

Original plans and detailed build reports are available with the sale of Windsong, she is a credit to her current owners who have done everything in their power to maintain the boat to a high level as well as improving all aspects including safety and reliability.

This beautiful bluewater sloop is well worth an inspection and is ready for her next owners to climb board and head off on the first adventure.
