Description

For sale is a 2020 Kawasaki Ultra 310X, one of the most powerful and stable personal watercraft on the water. Powered by Kawasaki's supercharged 1,498cc engine, this ski delivers incredible acceleration and top-end performance while still offering excellent control and comfort.

The Ultra 310X features Kawasaki's deep-V hull, making it extremely stable in rough water and ideal for both aggressive riding and longer cruises. It includes selectable power modes, traction control, and a large digital display for speed, fuel, and ride info. With storage space and a comfortable seat, it's also great for all-day riding.

This ski has been well maintained, runs strong, and is water-ready. Perfect for anyone looking for a high-performance jet ski that's built to last.

Highlights:

- Low Hours (13)
 - 1,498cc supercharged engine (310 HP)
 - Deep-V hull for superior handling
 - Multiple ride modes & traction control
 - Large storage capacity
 - Legendary Kawasaki reliability
