Description

2001 Leeder Capri 900 Flybridge | Twin 250HP Volvo Pentas | Only 50 Hours!

If you're looking for a spacious Australian built flybridge cruiser with serious performance, modern engines and comfortable overnight accommodation, this 2001 Leeder Capri 900 is one you won't want to miss!

Built in Fremantle, Western Australia, Leeder cruisers are renowned for their practical layouts, generous living spaces and solid fibreglass construction. This beautifully presented example, named LEEDON, combines classic Australian craftsmanship with impressive modern upgrades.

The standout feature is the recent repower with twin Volvo Penta V6 250HP petrol engines, paired with DPS sterndrives and Volvo's Duoprop counter rotating propellers. Producing a combined 500HP with just 50 hours per engine, this Capri delivers exceptional performance and comfortably cruising at 25 - 30 knots.

Step aboard and you'll find a spacious aft entertaining deck complete with excellent condition covers, a comfortable day bed, live bait tank and easy access to the swim platform. Whether you're fishing, entertaining friends or enjoying a weekend away, the layout offers plenty of versatility.

Inside, the recently refreshed saloon and galley provide a welcoming space with comfortable seating, a convertible dining area, gas cooktop and grill, refrigerator, icebox and generous storage. The accommodation comfortably sleeps four, with a forward V berth and convertible dinette, while the aft day bed provides additional space to relax.

A fully refurbished enclosed bathroom features a macerating marine toilet, basin and hot and cold shower, with an additional shower at the transom.

With modern Raymarine electronics, solar power, a quality entertainment system and extensive recent upgrades, this Leeder Capri 900 is ready for its next owner to enjoy.
