Description

Markline 900 Flybridge | Twin Volvo Penta Diesels | Sleeps 6

TWIN DIESELS | FLYBRIDGE CRUISER | 6 BERTHS | SOLAR POWER | 400L FUEL CAPACITY

If you're looking for a spacious and versatile family cruiser with twin diesel power, comfortable overnight accommodation and plenty of room to entertain, this Markline 900 Flybridge is well worth your inspection!

Built with a solid fibreglass hull and practical flybridge design, the Markline 900 has long been a popular choice for Australian and New Zealand boating enthusiasts. Offering a great combination of cruising capability, comfortable accommodation and usable deck space, it's an ideal vessel for weekend getaways, coastal adventures or relaxing days on the water.

Powered by twin Volvo Penta 165HP six cylinder diesel engines, producing a combined 330HP and coupled to Volvo Penta sterndrives with duo props, this vessel offers the benefits of twin engine manoeuvrability and diesel propulsion.

Step aboard and you'll find a practical layout designed for comfortable cruising and entertaining. With accommodation for up to six people, a well equipped galley, hot and cold shower and electric marine toilet, this Markline has everything you need to enjoy extended weekends on the water.

The elevated flybridge provides an excellent vantage point while cruising, while the cockpit offers additional space for fishing, entertaining or simply relaxing with family and friends.

Key Features & Highlights:

-

Twin Volvo Penta 165HP six cylinder diesel engines producing 330HP combined

-
