## Description

These WA, Australian made Mustang Hardtop Sports cruisers are just designed right, starting with the huge entertaining area in the cockpit including a comfy lounge adjacent to the helm that doubles as a daybed, complemented by a drinks and nibbles station on the dash.

There is so much room for friends and family to relax while enjoying Australia's bluewater wonderland.

If you happen to have a couple of jetski's, no problem this Mustang has dedicated towing poles either side of the swim platform.

Moving below the first thing you notice is more space, and lots of it, then there's the galley on the port side which features granite bench tops and plenty of cooking space plus generous cupboard space, both above and below the bench providing storage for glassware, crockery, and cutlery.

At the commanding helm, the skipper enjoys uninterrupted 180 degree visibility, with a split captain's chair offering both comfort and adjustable height if needed.

Accommodation is generous... The main suite is located forward, with a few steps leading up to the master bed and then there's a second aft cabin with a large twin berth and cupboard space. The Saloon dinette converts to yet another double.
