## Description

It's that time of the year... Get on the water and relax in this great family sports cruiser!

Rinker's 260 (27.5 Ft) designers have worked hard to pack so much accommodation into this size boat. To maximise the interior space, Rinker has eliminated the side decks, pushing the cabin out to the edges.

The moulded swim platform, with rounded corners, makes it easier to handle the boat when docking.

Hidden cleats are included on the platform as is a stainless steel, boarding ladder under a Fibreglass cover and hand held shower.

Rinker's deep vee hull design delivers a smooth ride and tight turning. There is good vision from the helm with power assisted steering.

The 280 Express Cruiser is Rinker's most successful cruiser... This boat is an ideal size for a cruising couple or a young family.
