## Description

'Destiny' a 32 Riviera feels much bigger than a 32 footer, because of her open design inside, with saloon dinette seating on the port side and lounge opposite on the starboard side. Fridge and Helm position forward. The galley is down with heaps of storage. The accommodation is forward with a V berth double or two singles, Port side. Double and Head, and wet area on the port side. The Flybridge has good seating and the Cockpit is large for a boat of it's size. The engine room is neat and tidy with twin Volvo Penta with Shaft Drives. That will pull her nicely at up to 12 knts.
