Description

This lovely Roberts Mauritius 44 Ketch was built by her owner and launched in 1980. He has cruised her up and down the East Coast and been aboard, attending to her maintenance every week.

'Compass Rose' is a strong and roomy vessel with those classic Roberts lines, she has a large engine room housing a powerful Perkins 75 hp diesel engine and also a hidden workshop area.

She has plenty of accommodation, with twin singles in the V berth, a large aft cabin with its own toilet and a midships quarter berth.

Layout is, head and shower before the V berth, starboard side galley with navigation station and sail storage opposite.

She is wonderful to sail and the centre cockpit is covered by bimini and has great crew seating and a dedicated chair at the helm for the skipper!
