Description

The Sea Ray range of Sports Cruisers are the go to boats for solid, all-round performance. The fact that a sports cruiser is more comfortable is just the start... Being comfortable is great, but also being able to wake-board or tow a ski tube behind is an absolute bonus! Then we come to entertaining... There's plenty of room in the cockpit for a good hand full of friends and family to mingle and enjoy a glass of bubbly, a beer and maybe a seafood feast. Stepping below you find the comforts of a v berth up the bow, an aft cabin double bed, small galley and head with shower and toilet. The split window and moulded steps make it a breeze to get to the bow and check the anchor, pick up a mooring or just take in the rays. "Scappare" was re-powered in 2019 with just 85 hours on the motor and also had new covers installed in 2022. Get ready for summer with the family in this great American made, Sea Ray Sports Cruiser!
