## Description

These stylish American built sports cruisers offer plenty of room in the cockpit with comfortable seating and a second fridge in the wet bar with easy access through the transom to the swim platform to jump in for a swim.

Two good options in the cabin allowing 6 adults to sleep in comfort or relax on the twin seater sofa opposite the galley or utilise the front berth converting to a second sofa while getting a plate of nibbles organised for an afternoon sun downer in the cockpit.

Powered by the reliable and renowned Mercruiser 5.0 MPI with bravo 3 duo prop legs, you can just cruise around and take in the day or throw the kids on a tube and drag them around for hours on end.
