Description

There is a reason why Sports Cruisers are so popular on Australian waterways and it's really quite simple. There's not much you can't do in these versatile vessels.

stepping aboard from the stern of the 28 Wellcraft you enter the most important part of the boat, the entertaining area. This is where you spend probably 90% of the day relaxing with family and friends, while indulging in life's luxuries... maybe prawns champagne, or just a good old sausage sizzle.

This is where the versatility comes in, after relaxing at lunch put your cossies on and jump on a tube or wakeboard and get dragged around behind the big V8.

When the day is done, all you have to is slide below decks and relax before doing a perfect overnighter in comfortable accommodation. No need to go home when you've got a boat like this,
